

Flash Ley Community Primary School & Nursery

Sun Protection Notice

At Flash Ley we acknowledge the importance of sun protection and want staff and pupils to enjoy the sun safely. We will work with staff, parents to achieve this through:

Education

All pupils will be made aware of the SunSmart message every year.

5 key SunSmart skin cancer prevention messages are:

1. Stay in the shade.
2. Make sure you never burn
3. Always cover up – wear t-shirts, hat and sunglasses.
4. Remember children burn more easily.
5. Then use factor 50+

Protection : this is an on-going process

Shade:

When the sun is strong we will encourage pupils to sit/play where shade is available.

Clothing:

When outside in the sunny weather children are required to wear hats/caps.

During PE outside children will wear T-shirts rather than vests.

Sunscreen:

It is advised to use SPF 50 + (12hour protection/all day/ single application)

Currently staff are unable to apply cream to pupils, so parents need to apply this at home.

Please be aware that Voyage's policy differs to above
