*Due to Government Funding in the Adult Education Budget. We have several **Free** online Level 2 CACHE/TQUK/NCFE Accredited Courses available to help better understand some key issues around young people's mental health and wellbeing.*

We have over 30 courses to choose from!

Below are some of the most popular courses we offer:

- **Understanding Autism** (learn how individuals process sensory information, understand characteristics, understand conditions, learn how speech, language and communication differ in people with Autism)
- **Understanding Children and Young Peoples Mental Health** (Understand factors which may affect Young Peoples mental health, the impact that they have and how to support them with these issues)
- **Understanding Behaviour That Challenges** (supporting positive behaviour, effective communication & how to manage challenging behaviour)
- **Understanding Specific Learning Difficulties** (understand characteristics of ADHD, ADD, Dyslexia & Dyscalculia, importance of early diagnosis, assessment methods available to diagnose learning difficulties)

The qualifications are completed within a 6-week period, duration is completely dependent on each learner's ability as to how fast they complete and how many hours it takes. There are no exams, essays or end-point assessments however I would however advise that these are NOT 'short courses' that will take just a few hours to complete. As these are equivalent to a GCSE Grade C, you are required to write comprehensive answers for some questions. You may do as many as you like, just one at a time.

The only criteria the learner must meet to be eligible, is the following...

- Aged 19 or over on or before 31st August 2021
- Have lived in the UK/EU for 3+ years
- Not already on a Government funded course (Apprenticeship for example)

*The course is completely free, but the learning provider reserves the right to charge a drop out fee in the event that someone enrolls, but then makes **no attempt to complete the course without a valid reason.** That said, the college will grant extensions if the learner has a genuine reason as to why they feel they won't be able to complete it within the 6 weeks.*

If you are interested in undertaking one of these Free Online courses, then please complete the following link this week. This will then allow you to complete a quick Registration on our website. I will then contact you to explain how Enrolment works and answer any questions you may have.
