More information will be sent out regarding these events via Marvelous me and letters

News from the rooms!

First Steps..... We would like to welcome everyone back after the summer holidays, old and new faces; everyone has settled in. We are starting autumnal crafts & art activities, lots of new sensory / messy play experiences.

Kayleigh.

Caterpillars..... This half term we will be focusing on activities linked to all about me / my body, my family, my home & my favourite food (linked to healthy eating) after October half term we will enjoy activities linked to Autumn, scarecrows, winter & then our firm favourite Christmas. The children are enjoying dough disco, this supports them with their fine motor skills.

Nikki

Butterflies..... The children have settled in really well. We are excited for the term ahead, Autumn, Halloween, Bonfire night & the best of all Christmas. This term we will be focusing on us. We will learn about emotions, how to understand them & how to ask for help and support. We will be thinking about others as well, how our actions effect other people. In Maths we will focus on colours, matching & sorting. Phonics will be reading, listening games & clapping syllables to words.

Lizzy & Sophie

Before & After School Club..... I have asked the older children for a list of resources they would like for the chill zone (I've had some very interesting answers 😊) We will be purchasing some of the suggestions. The younger children are enjoying lots of arts and crafts activities.

Becky & Kayleigh

Thank you

Summer Holidays:

We would love some pictures of your holidays during the summer and a brief description of where you went and what you got up to. This is to add to our world map and to discuss with the children. Please send to Becky
