

Voyage @ Flash Ley

SUN PROTECTION POLICY

EDUCATION

- Sun protection is discussed interactively with the children.
- Children engage in activities to promote sun smart behaviour
- Parents are informed of importance of sun protection and asked to sign and agree to support our sun protection plan

PROTECTION

- Equipment is moved around outdoors to provide shaded areas
- Gazebo's and sunshades are provided to create shade
- Activities make use of available shaded areas within the school grounds

TIMETABLE

- Outdoor play is planned for each age group
- Timetables of outdoor play activities are flexible
- and adapted taking account of weather conditions

CLOTHING

- Parents are asked to provide their child with a sun hat from home, however spare hats are available
- Parents are also asked to dress their children in clothes that cover the shoulders

SUNSCREEN

- Parents are asked to sign and agree to support our sun protection plan which allows staff to apply sunscreen to their children when deemed necessary
- Only Factor 50+ is allowed – sunscreen will be applied according to manufacturer's recommendations.
- Parents will be charged a set rate for a summer seasons application of sunscreen.

Voyage @ Flash Ley

FLUID

- Children have their own personal water bottles and are encouraged to drink fluid on a regular basis throughout the session
- Ice-pops, ice-cubes, etc. are used as fun ways to rehydrate children

ACTIVITIES

- During hot weather, water based play activities are provided and encouraged.
