- We **engaged with** a variety of people about their beliefs and values and **asked questions** about the way commitment affects their lives.
- We **researched** some key events in the development of a religious tradition and **explained** the impact on believers today.
- We **identified** some of the ways in which religions name and describe attributes of God and **made links** with belief and practice.
- We **identified** the main features and patterns of an act of worship and **talked about** the importance of worship for believers.

### Wow experiences:

#### Diwali – Sikh and Hindu

We filmed ourselves pretending that we were Rama or Sita and told our story in our own words.

#### Christmas - Christian

We chose one of the characters from the Christmas story and wrote a diary entry from their point of view.

#### Chinese New Year - Festivals

We compared how we celebrate New Year and how the Chinese celebrate theirs.

#### Easter - Christian

We wrote newspaper articles reporting what happened to Jesus.

#### Ascension Day - Christian

We found out about different types of prayers and meditations and then wrote our own.
